

571—30.54(455A,461A,462A) Announcement of funding opportunity. The coordinator shall announce, at least annually, the availability of funds for the programs, designate a time and place for receiving proposals, identify any additional requirements to those enumerated in this division for successful applications, and provide at least 90 days for sponsors to submit such proposals. Not more than quarterly, the department shall provide for additional application cycles if additional funds are made available or otherwise become available.
